Queenstown | +27 818 273 587 | asekhonax@gmail.com

PROFESSIONAL SUMMARY

Power Platform Developer and Software Developer with hands-on experience delivering scalable business applications and web solutions in Agile environments. Skilled in building Power Apps (Canvas and Model-Driven), automating workflows with Power Automate, and integrating Microsoft Dynamics 365 and REST APIs to improve operational efficiency.

Proficient in full-stack development using React.js, Vue.js, JavaScript, HTML5, CSS3, and backend technologies including Node.js and ASP.NET. Passionate about clean code, problem-solving, and building user-focused solutions that drive business impact.

CORE SKILLS

- **Power Platform:** Power Apps, Power Automate, Dataverse, Power Pages, Dynamics 365
 - **Web Development:** React.js, Vue.js, JavaScript (ES6+), HTML5, CSS3
 - **Backend:** Node.js, Express.js, ASP.NET (C#)
 - **Data & APIs:** REST APIs, JSON, SQL Server, MySQL, MongoDB
 - **Tools & Methods:** Git, Azure DevOps, Agile/Scrum
 - **Other:** SharePoint, WordPress, SEO Fundamentals
-

PROFESSIONAL EXPERIENCE

Sompisi IT Solutions

Power Platform Developer | 2025 – Present

- Developed custom business applications using Power Apps (Canvas and Model-Driven) to support client business processes
- Automated 15+ workflows using Power Automate, reducing manual work by **40%**
- Designed and deployed Power Pages for external-facing business applications
- Integrated REST APIs and external systems into Power Platform solutions to enable real-time data exchange
- Designed and implemented data flows to ensure seamless integration across systems
- Performed data cleaning and transformation to improve data quality and reporting accuracy

- Built and maintained WordPress websites, customizing themes and plugins to meet business needs
 - Collaborated in Agile sprints with cross-functional teams to deliver high-quality solutions on time
 - Contributed to the full application lifecycle: design, development, testing, deployment, and maintenance
-

CapaCiTi (UVU Africa)
